

KHAWLA ABDEDDAIM

ABOUT ME

Passionate and dynamic theater and art educator with extensive experience in leading workshops for children and adults. As a skilled monologue coach and art teacher, I specialize in blending creativity with education to make learning engaging and impactful. With a background in both artistic and scientific fields, I am dedicated to making art more accessible and inspiring through innovative teaching methods. As an active member of an art association, I have organized and participated in various artistic projects, from theater performances to filmmaking.
